

## HOW CAN I LOG IN TO WI-FI OFF CAMPUS USING EDUROAM

### What is eduroam?

*Eduroam* stands for education roaming. Eduroam allows students and staff members to securely access the wireless internet in each participating institution in Belgium and abroad and in the student homes of Artevelde University College.

### What should you do before you go to the host institution?

If you wish to use eduroam at the host institution as a staff member or student of Artevelde University College, check in advance whether they are connected to eduroam. Ask them directly or check their website.

### Please note:

Staff members and students of Artevelde University College can only use Eduroam in the student homes of Artevelde University College, and not on campus.

What should you do upon arrival at the host institution?

Do you wish to access the internet at the host institution or in the student home? Use your personal Artevelde account ([login@arteveldehs.be](mailto:login@arteveldehs.be)) = shortened email address = first four letters first name + last two letters last name @arteveldehs.be and password.

### Please note:

- Staff members are to use **login@arteveldehs.be**
- Students are to use **login@student.arteveldehs.be**

## WHAT DO YOU NEED?

A staff member or student of Artevelde University College should at least have the following things to log in to eduroam:

- an Artevelde University College account and password
- active wireless network on laptop
- disconnected from a wired network
